

Financial Policy Guidelines and Expectations

Bauer and Howard Dental Care, LLP

Congratulations on your decision to visit our dental office today! Whether you are visiting our office for a routine dental care check up or you are experiencing an unfortunate tooth ache, it is our commitment to make the financial portion of your visit as clear and straightforward as possible. Knowing what to expect on a financial level can make things easier for you as well as for us.

Our financial policy states that we do expect payment at the time of service, unless arrangements have been made prior to your dental care. For your convenience, we have a Financial Coordinator that will work with you to discuss other options when payment at the time of service is not convenient for you.

Payment Options:

We accept: Cash, Check, Visa, MasterCard, American Express, Discover and Care Credit.

Care Credit is a convenient, monthly payment program that offers 2 types of plans:
#1) No Interest Payment Plans!! OR #2) Low Interest Payment Plans!!
(We at Bauer and Howard Dental Care pay the fees to offer this type of convenient payment plan to our patients. We've had great luck with it and look forward to telling you about it!)

For patients that have dental insurance, we will be happy to submit all the necessary forms to get your insurance to reimburse you. We will indicate on the forms that payment for services is to be paid directly to you. Please remember that your insurance is a contract between you and your insurance company; we still expect payment at the time dental services are rendered, unless other arrangements have been made with our Financial Coordinator.

If you have any questions concerning our policy, do not hesitate to contact our Financial Coordinator.
