Financial Policy

Our financial policy states that we do expect payment at the time of service, unless arrangements have been made prior to your dental care. For your convenience, we have a Financial Coordinator that will work with you to discuss other options when payment at the time of service is not convenient for you.

Payment Options

We accept: Cash, Check, Visa, Mastercard, American Express, Discover and Care Credit.

For patients with Dental Insurance, we will be happy to submit all the necessary forms for you. Please remember that your insurance is a contract between you and your insurance company. For patients without dental insurance, we do expect payment at the time dental services are rendered, unless other arrangements have been made with our Financial Coordinator.
