

## Financial Policy Guidelines and Expectations

Hastings Family Dental

Congratulations on your decision to visit our dental office today! Whether you are visiting our office for a routine dental care check-up or you are experiencing discomfort, it is our commitment to make the financial portion of your visit as clear and straightforward as possible. Knowing what to expect on a financial level can make things easier for you as well as for us.

Our financial policy states that we do expect payment at the time of service, unless arrangements have been made prior to your dental care. For your convenience, we have a Financial Coordinator that will work with you to discuss options when payment at the time of service is not convenient for you.

### Payment Options:

We accept Cash, Check, Visa, MasterCard  
American Express, Discover and Care Credit

If we do any payment plans or financing we do it through a company called Care Credit. Care Credit is a convenient, monthly payment program that offers 2 types of plans:  
#1) No Interest Payment Plan OR #2) Low Interest Payment Plan

We at Hastings Family Dental pay all Care Credit fees  
so we can offer it to our patients as a convenient payment plan.

For Patients with dental insurance, we will be happy to submit your insurance. After insurance pays their portion we do expect payment in full on any balance. In the event the balance is not convenient for you to pay in full, we will have you apply for Care Credit.

If you have any questions concerning our financial policy,  
do not hesitate to contact our Financial Coordinator at  
(402) 462-6410

Dr. Charles D. Bauer, Dr. Allison M. Kern
